

ALAMO MG  
ASSOCIATION

Hello MG fan:

We are the San Antonio based "Alamo MG Association". We have a membership of around 80 -100 members. Currently we host about 15-20 events a year and have regular monthly meetings the first Tuesday of every month at Los Cucos Mexican Cafe, located at 226 W. Bitters Road in San Antonio, just off Hwy. 281. To get there, take 281, turn west on Bitters Road, take a left at the first light, the restaurant is down on the right.

Dues for the Alamo MG Association are only \$20 per year; and can be prorated. Membership includes a quarterly newsletter and three seasonal parties - Winter, Summer and Christmas.

Our club accentuates family participation and MG camaraderie. We don't get hung up on the spit and polish of the cars, but if you have a concourse car, that's great. If you don't, that's great, too; we want all members to feel comfortable and welcome.

Another benefit the club offers its members is the combined knowledge of the membership, which represents hundreds of years of MG experience. This knowledge base is invaluable when dealing with the repair, upkeep and sourcing of parts for our MG cars. Rarely does a problem arise that at least one of our members doesn't know, or know where to go, for the answer.

If you're in town, come by and visit us at one of our monthly club meetings. Better yet, fill out the application below, mail it in with your check and start enjoying the many benefits of our association.

Hope to see you soon. Safety fast,

Alamo MG Association

**Dues are only \$20 a year, due in January**, but can be prorated on a quarterly basis:  
April, May, June - \$15; July, August, September - \$10; October, November, December - \$5.
